

RunTrace

CORPORATE PRESENTATION

INTRODUCTION

RunTrace is a comprehensive IT based solution for technical support and time tracking at sport events.

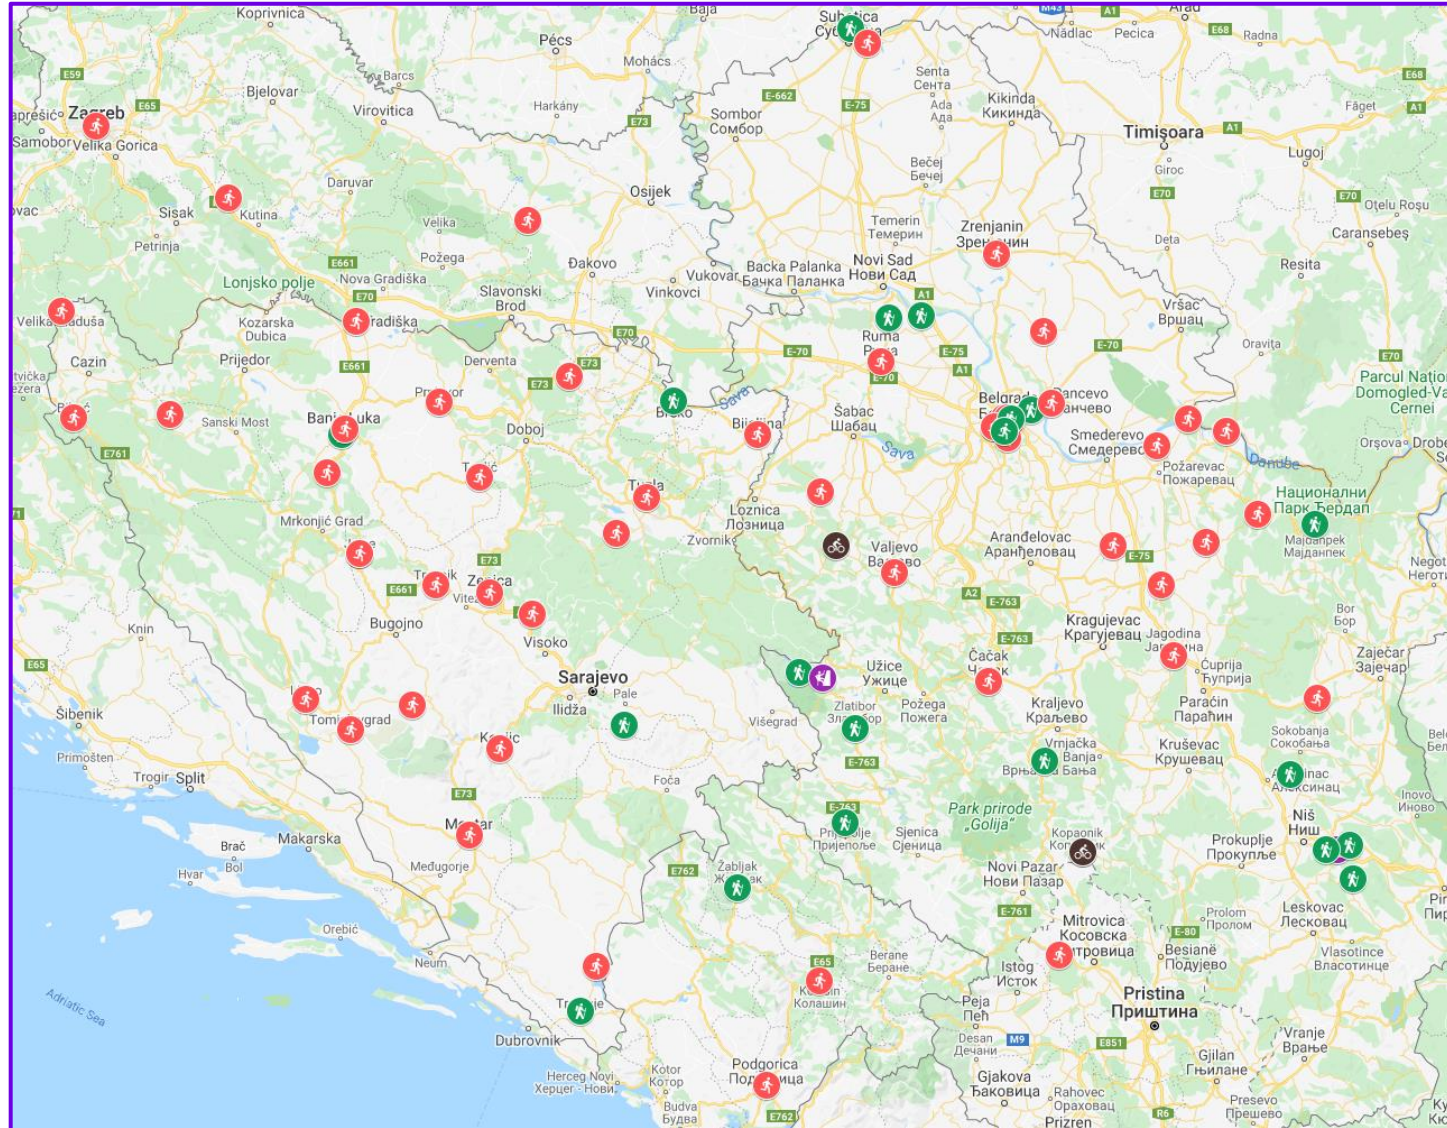

After many years of experience both as contestants and race organizers, we wanted to resolve all the pains – general consulting, flexible application, live results, and **nothing to think about once the race is finished.**

Main advantages:

- Data flexibility – whatever race, concept, deadline... we **have** it.
- Timing flexibility – we **can** do it, or you can do it.
- Price flexibility – we **will** get to the arrangement.
